FLOS

A1402059 Brass

2097/30 (clear bulbs)

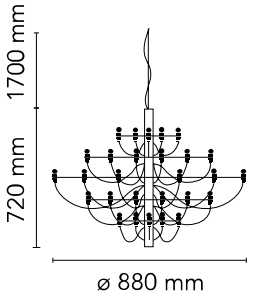

Designed by Gino Sarfatti, 1958

LED retrofit - 30 x 2W

Suspension lamp emitting diffused light. Central steel structure with brass arms, available chrome-plated, matt black, matt white or brass, each holding an exposed bulb. Exposed wiring. Steel ceiling fitting and rose.

Born in Venice, Gino Sarfatti drew inspiration from the traditional Venetian chandelier for 2097, a minimalist design as modern today as when conceived in 1958. Stripped to its essence, the only decorative element is the exposed wiring. Sarfatti transformed function into ornament by embracing technology rather than concealing it. Originally produced by Arteluce, 2097 embodies his vision of lighting as both an essential function and a bold architectural statement.

Main specifications

EAN	8059607000441
Mounting	Suspension
Environments	Indoor dry location
Light source type	Bulb
Light sources included	Yes
Lamp category	LED retrofit
Lamp holders	E14
Ilcos	IBS/F
Number of lamps	30
Power (W)	2

Physical

Colour	Brass
Length (mm)	880
Cord colour	Black
Cord length (mm)	1700
Canopy colour	Black
Canopy length/diameter (mm)	146
Canopy height (mm)	36
Net weight (kg)	5.73
Package volume (m3)	0.02
IP internal	20

In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order t improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.
