Noctambule Suspension 1 Low Cylinder Bowl

Designed by Konstantin Grcic, 2019

36W - 1007lm - 2700K - CRI> 90

Suspension lamp emitting diffused light. Composed of transparent interconnected blown-glass cylinders with a conical or semi-spherical shaped diffuser. Features die-cast aluminium ring connector, hydroformed steel internal arm and injection-moulded optical opal silicone outer-ring diffusers. Ceiling rose houses the power supply unit, enabling dimming from 10–100% via 0–10/1–10 V, PUSH or DALI control.

Designed by Konstantin Grcic, Noctambule takes its name from the French word for a 'night owl'. By day, its transparent glass cylinders almost disappear into their surroundings. At night, LED rings at the intersections bring the lamp to life, creating luminous columns of light that can grow from three modules to towering heights. A masterful balance of restraint and drama, Noctambule is both system and sculpture, revealing its true character only when illuminated. Noctambule has received multiple design accolades.

Main specifications

EAN	8059607000540
Mounting	Suspension
Environments	Indoor dry location
Light source type	LED
Light sources included	Yes
LED type	LED Module
Power (W)	36
Lumen Output (lm)	1007

Physical

Colour	Black
Length (mm)	250
Cord colour	Black
Cord length (mm)	4000
Canopy colour	Black
Canopy length/diameter (mm)	187
Canopy height (mm)	45
Net weight (kg)	11.15
Package volume (m3)	0.43
IP internal	20

In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order t improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.
