Almendra Linear Suspension 4

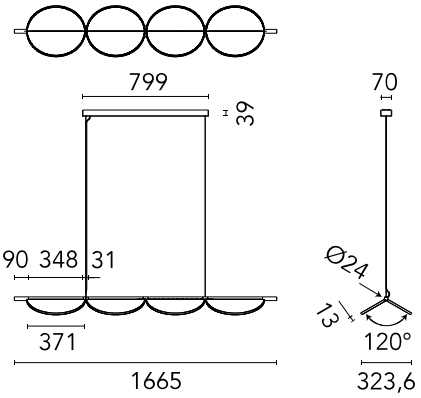

Designed by Patricia Urquiola, 2022

60W - 2340lm - 2700K - CRI> 95

Suspension lamp emitting diffused light in a linear composition. Aluminium tubular structure with CNC-machined terminals in matt or metallised finish. Integrated Edge Lighting technology. Light units can rotate in 60° steps to adjust emission direction. Matt white metal ceiling rose with integrated electronics supporting 1–10 V, DALI or push-dim dimming.

Almendra by Patricia Urquiola is a modular lighting system inspired by the almond tree, from which it takes its name. Its softly curved modules recall seeds or shells, natural yet mechanical in form, arranged in linear or branching compositions. A synthesis of poetry and sustainability, it reflects recurring themes in Urquiola's work, brought to life through beautiful design and advanced technology. Winner of a Stylepark Selected Award 2022.

Main specifications

EAN	8059607048375
Mounting	Suspension
Environments	Indoor dry location
Light source type	LED
Light sources included	Yes
LED type	Edge Lighting
Power (W)	60
Lumen Output (lm)	2340

Physical

Colour	Off-white
Length (mm)	1665
Cord colour	Clear
Cord length (mm)	2600
Canopy length/diameter (mm)	799
Canopy width (mm)	70
Canopy height (mm)	39
Net weight (kg)	10.13
Package volume (m3)	0.22
IP internal	20

In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order t improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.

Ecodesign and Energy Labelling

This product contains a light source of energy efficiency class **E**

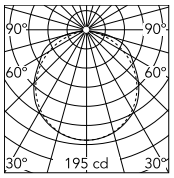

Replaceable (LED only) light source by a professional

Replaceable control gear by a professional

Schematic light drawing

Luminous flux luminaire
585 lm

Beam Angle: 116°
