FLOS

F1801044 Anodized Champagne

Coordinates Floor

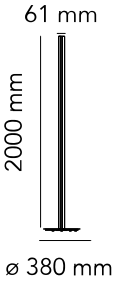

Designed by Michael Anastassiades, 2020

53W - 3240lm - 2700K - CRI> 95

Floor lamp emitting diffused light. Composed of two adjustable vertical poles and a base with an anodised aluminium cover. Elements made of extruded anodised aluminium with a platinum optical silicone diffuser housing an integrated LED strip (CRI 95). Usable power cable length 260 cm. Pedal dimmer switch for on/off control and 10–100% brightness adjustment. Power supply attached to interchangeable plug.

Part of the Coordinates family by Michael Anastassiades, Coordinates Floor translates the collection's illuminated grid concept into a standalone vertical composition. Evolving from a commission for the historic Four Seasons restaurant in New York, Coordinates takes inspiration from the Cartesian grid, translating pure mathematical precision into light. Its modular, scalable system allows configurations ranging from minimal arrangements to complex installations. Elegant, imposing and expressive, it brings geometry to life within any space.

Main specifications

EAN	8059607031223
Mounting	Floor
Environments	Indoor dry location
Light source type	LED
Light sources included	Yes
LED type	LED Module
Power (W)	53
Lumen Output (lm)	3240

Physical

Colour	Anodized Champagne
Length (mm)	380
Cord colour	Black
Net weight (kg)	5.2
Package volume (m3)	0.03
IP internal	20

In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order t improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.

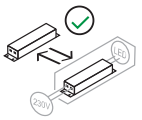

IP 20

Ecodesign and Energy Labelling

This product contains a light source of energy efficiency class **F**

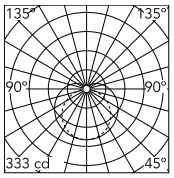

Replaceable (LED only) light source by a professional

Replaceable control gear by an end-user

Schematic light drawing

Luminous flux luminaire
1520 lm

Photometric

Lighting type	Direct, Indirect
Light distribution	Asymmetric
CCT (K)	2700
CRI>	95
Extreme cut off	No

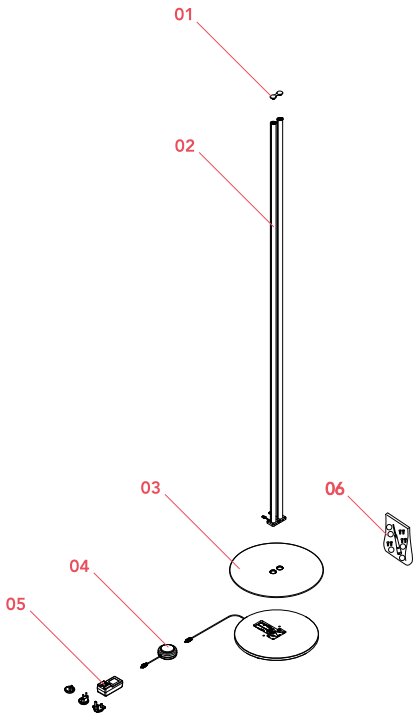

Electrical

Insulation class	III
Frequency (Hz)	50/60
Main voltage (Vac)	100-240
Power supply	Remote included
Dimmable	Yes
Power supply type	Electronic 48V
Dimming interface	Dimmer Integrated
Plug type	Type A, Type C, Type G
Batteries inside	No
